Dear Ian,

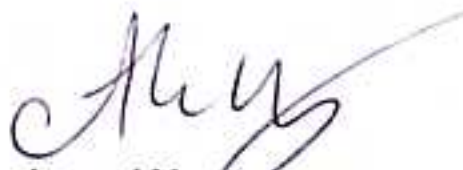

Thank you once again for your assistance for the Bonnie Babes Foundation's National Babies Day Melbourne Gala Ball. It was a fantastic night and made all the more special with your help to capture the evening on film.

Through the success of our National Babies Day campaign we hope to increase the awareness of babies lost due to stillbirth, miscarriage and premature birth and also raise money for vital medical research in these areas.

From all of the Bonnie Babes Foundation team, volunteers and Executive Committee thank you for your generosity.

Thank you for caring about our worthy cause.

Kind Regards,

Andreas Wenzel
