

Dear Jan,

We just wanted to write to thank you so much for your fantastic work on capturing the most special days of our lives.. our wedding day!

You did an outstanding job on the day capturing all the important moments and we were so very pleased with all the work you did in 'editing' it down to the perfect record of our day! We couldn't have chosen better ourselves and the music has worked really well! Thanks again for your professionalism, enthusiasm, *Kylie and Craig* and friendliness
