Dear Ian

Thank you so much for doing a great job on our wedding video. We were thrilled with the video and the way you captured the joy of our special day. Everyone that we have showed the video to has loved it too.

Also, a big thanks for coming to the rescue on the night with the safety pin to pin up my dress before the bridal waltz.

It's the magic
in your heart
it's the inspiration
for your life

We really enjoyed your relaxed approach and your professionalism.

Thanks heaps!
